**GreaseRelease™ Features:**

- **Designed to Release Your Grease**
- **Features a Swirl and a Spout**
- **As Easy as a Flick of the Wrist**
- **Raised Grill Separates Food From Grease**
- **Easily Discard Grease With Pour Spout**

GreaseRelease™ is the revolutionary new grilling pan with a patented design that allows fat and grease to drip away from your food, leaving you with healthy, delicious grilled and sautéed foods that you and your family are sure to LOVE! The secret is Grease Release's raised, non-stick grilling surface that keeps your food ABOVE the grease, allowing your foods' natural juices to infuse tons of flavor into every dish while all of the fat from your foods drains away quickly and easily. It's the healthy way to sauté a filet and you can even grill vegetables without adding any oils or fat. With Grease Release's special draining channel and pour spout, disposing of your messy cooking grease has NEVER been easier! The unique draining channel and pour spout allows you pour excess grease and fat into virtually container in one simple motion without spilling a drop. You'll get all of the flavor without all of the fat! GreaseRelease™ is easy-to-use and dishwasher safe. Best of all, clean up is a breeze.

Today, as part of this special limited time internet offer, we'll send you the incredible 9 inch GreaseRelease™, regularly a \$20 value, for just \$10.00 and only \$6.99 shipping and handling. And, as part of this special internet offer, we'll also include a second BONUS 6 inch Grease Release for just separate \$6.99 shipping and handling. GreaseRelease™ will make dinner in your house quick, easy and delicious - guaranteed! This special GreaseRelease™ offer is not available in stores so the only way to get it is to place your order now!
